

TALE OF THE TAPE

SPREADSHEET SMACKDOWN

Excel trash talk to crunch your rivals

8 ROUNDS • NO MERCY • SWIPE >

ROUND 1

**Your attempt at
automation is like a self-
driving car... from the
Flintstones era.**

ROUND 2

Your macro is like a soap opera. It runs forever and nothing ever happens.

ROUND 3

**Oh, you're still using
HLOOKUP()? That's cute.**

ROUND 4

Your workbook is so brittle, it breaks faster than **your New Year's resolution.**

ROUND 5

BYE

The only Excel keyboard shortcut you should be using is **Ctrl + F4.**

ROUND 6

**Your data is so dirty, I
need a tetanus shot just
looking at it.**

ROUND 7

**You're so bad at
spreadsheets, Excel asked
to be put in **safe mode just
to protect itself.****

FINAL ROUND

K.O.!

**I've seen cleaner data in a
teenager's bedroom.**

DING DING – YOUR TURN

**GOT A BETTER
EXCEL BURN?**

Drop your best spreadsheet trash talk in the comments. The sharpest ones get added to the list (with credit, of course).
