

EXTERNAL FACULTY / CONTRACT TRAINING

George Mount

External faculty and contract instructor for Excel, analytics, and AI in finance

I work with training firms, professional associations, and corporate learning teams that need an experienced instructor or curriculum partner. I can join an existing faculty bench, deliver a defined program, or help shape course materials around practical finance and accounting workflows.

A FLEXIBLE PARTNER FOR LEARNING TEAMS

Training firms, associations, and corporate learning teams · instructor-led delivery · curriculum support · finance-aware subject matter

Ways I can support your program

01 Faculty delivery

Instructor-led training in virtual, onsite, or hybrid formats for scheduled cohorts, client programs, and faculty bench coverage.

02 Curriculum support

Course outlines, demos, exercises, participant materials, facilitator notes, and updates for fast-changing Excel and AI content.

03 Subject-matter partner

Input on how to position modern Excel, analytics, and AI for finance audiences without losing the practical details.

Core delivery areas

Modern Excel and financial analysis · Power Query · Power BI · Python in Excel · Microsoft 365 Copilot · Excel + AI workflows
